

CLEAN OUR PLATE 12.0

19/02/2024 - 18/03/2024

From 19th February 2024 till 16th March 2024, AIESEC in UPM organized Clean Our Plate 12.0, a Malaysian Youth Volunteering Project focusing on SDG 12, Responsible Consumption and Production. 8 university students participated as volunteers to learn about food composting, urban planting, zero waste cooking, used cooking oil soap making, meal planning as well as refugee students volunteering with 11 partners (i.e., Soapan Santun, Ectomal, Bioterra, Avosome, The Assembly Soup Kitchen, The Lost Food Project etc)

Apart from that, there was a school workshop with 11 students from Hua Xia Private School to provide hands-on experiences to students about sustainable food management, from waste to value. On 5 March 2024, the project team also conducted a school exhibition at Sekolah Indonesia Kuala Lumpur with 200 students to raise awareness of multiple ways to handle food waste in daily life.

In order to support the refugee community in Malaysia, Clean Our Plate crowdfunded RM1,264 to The Assembly Soup Kitchen (TASK) through the Sedunia platform and physical crowdfunding. With all of the kind-hearted funds, 90 meals were donated to the refugee communities.
