

# EQUIFY 1.0

19/02/2024 - 30/03/2024

From 19th February 2024 till 30th March 2024, AIESEC in UPM had organized Equify 1.0, a Global Volunteer project involving volunteers from out of Malaysia which focuses on SDG 10, Reduced Inequalities. The project was done in collaboration with Great Heart Charity Association and Daikin Refrigerator Malaysia, and many activities were held that focuses on tackling inequalities happening around Malaysia.

Some key activities include organizing mental health workshop for B40 communities, hosting school workshop to boost the understanding of B40 childrens regarding cultural differences, and community services such as providing free lunch and purchasing groceries for those in need.

Additionally, a talk - Youth Engagement Talk was hosted to improve the understanding of UPM students regarding the inequalities happening in Malaysia. Speakers invited are such as Dr. Noraishah Mydin, Mr. Brian and Ms. Amanda from Make It Right Movement, whereby they share insights regarding the current issues, as well as exchange views during a forum discussion.
