

LOCAL LEADERSHIP DEVELOPMENT SEMINAR (LLDS) 2024

07/12/2024 - 08/12/2024

From December 7th to 8th, AIESEC in UPM organized the Local Leadership Development Seminar at the School of Business and Economics, UPM. This local conference aimed to cultivate leadership skills and knowledge among AIESEC in UPM members for personal development and to enhance their understanding of AIESEC. This year's LLDS embraced the theme "Kung Fu Panda", symbolizing growth, resilience and the journey of self-discovery.

The conference featured a series of engaging activities and insightful sessions about AIESEC and AIESEC in UPM. A key highlight was the "From AIESEC to the Workplace" forum, where inspiring discussions with external facilitators helped participants connect their AIESEC journey to future career opportunities. Participants also took on the AIESECpreneur Sandbox Challenge, where they showcased their entrepreneurial skills by developing and presenting business plans.

Through LLDS 2024, AIESEC in UPM members strengthened their leadership capabilities, expanded their perspectives and deepened their connection to AIESEC's purpose—preparing them to drive impact within the organization and beyond.
