

SPEAK UP 14.0

20/07/2023 - 19/08/2023

From 24th July 2023 till 19th August 2023, AIESEC in UPM organized SPEAK UP 14.0, a Malaysian Youth Volunteering Project focusing on SDG 4, Quality Education to build confidence among youth on driving and building STEAM skills. Activities like School Workshops, Roadshow at IOI Mall, Train the Trainers with partners are conducted throughout the project.

Apart from that, Speak Up project focuses on Coding, Business and English Communication for all three school workshop that had been conducted together with SMK Nilai Impian, Rumah Titian Kaseh and Sekolah Henry Gurney. These workshops have engaged with 97 students in total that are varies in age and background. On 19 August 2023, the project team also conducted an SDG roadshow with Clean Our Plate project and the ECHO project in IOI City Mall, Putrajaya to raise awareness on SDG and a mobile survey on public's view on Malaysian education system.

In this 4 week project, we conducted a total of 6 STEAM workshops within 42 hours. There are 30 STEAM projects being submitted in total through all the students and organising committee engaged.
